---

Good afternoon.

I work with Jason White on CERCLA projects (Superfund) as part of the Cherokee Nation Environmental Programs and the Inter-Tribal Environmental Council (ITEC). Through ITEC, we provide technical assistance to tribes and their citizens affected by Superfund sites in their jurisdictional areas.

I attended the Wilcox Oil Company Superfund Site Open House held on January 30th, 2014, but was unable to talk to you because of the long meeting and the many questions from the community.

Please add Jason White and myself to your mailing list for Wilcox Oil Company Superfund Site updates:

P.O. Box 948  
Tahlequah, OK 74465

We look forward to hearing from you.

Thank you,  
Diane
